OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 8th December 1948.

No. T. 970—48-49. The attention of all the dealers in cloth and yarn in Mysore State is invited to Clause 26 of the Mysore Cotton Textiles (Control) Order, 1948, and my subsequent Notification No. T. 606 -48-49, dated 30th November 1948, directing that no cloth or yarn (other than handloom cloth) manufactured before 1st August 1948, should, unless expressly authorised by the Controller of Civil Supplies and Additional Textile Commissioner, be kept undisposed of by any dealer or by any person holding on behalf of a dealer, after 30th November 1948. The dealers are informed that notwithstanding the provisions contained in the above notifications they are permitted to keep and dispose of such cloth or yarn as aforesaid subject to the following conditions:—

1. Such cloth or yarn as aforesaid (with the exception of certain varieties of cloth which will be exempted from sealing and stamping) held in the possession of the dealers after 30th November 1948, will be sealed by the Inspecting Officers of this Department. In sealing stocks, remnants (*i.e.*, three yards and below remaining out of full piece) and small quantities of a few pieces will be ignored. The sealed stocks will be left in the dealer's own premises after obtaining necessary *mutchalika* from him. It would be the dealer's responsibility to see that no such stock disappears and he is informed that in the event of any or whole of such quantity is not found in tact at the time of stamping, his license will be cancelled immediately, without prejudice to any other action that may be taken by the Department for having contravened the provisions contained in the notification referred to above.

2. Such cloth or yarn as aforesaid should not be sold unless it bears the special marking stamped or impressed upon it by the Inspecting Officers of the Department. The option of having such cloth or yarn stamped will not be given to the dealer in cases where the quantity involved is very excessive having regard to the standing of the dealer and the normal volume of his turnover or if the scrutiny of the accounts with reference to actual stock discloses that a false return of stock as on 30th November 1948, has been sent by the dealer.

3. The cloth will be stamped in the same way as tex-marked goods except that for the word "tex-mark" the form prescribed in the notification referred to above will be substituted. The month and year of marking shall be stamped or impressed below the said form and immediately below the aforesaid marking shall be stamped or impressed the maximum ex-factory price fixed under the above order.

4. In respect of cloth or yarn which are already price marked and are not subject to price-stamping as per Clauses 7 and 8 of the Notification No. T. 606—48-49, dated 3 th November 1948, the goo ls are released for sale subject to the payment to Government of a fee equal to 5 per cent of the ex-factory maximum price, as prescribed in Clause 6 of the said notification.
